

Powering Your Next Generation College Recruiting

8,000,000 total students and young alumni ● 475+ colleges and universities ● 1 platform

The leading early talent platform and official partner of universities, Handshake will help you source, engage, and hire the *right* talent for your team. **Achieve all of your college recruiting goals in one place.**

Trusted, integrated network across schools

65% of the top 200 US schools use Handshake daily. Post your jobs at dozens of schools in just a few clicks.

Rich, university-validated student profiles

Student academics are sourced from official records; in addition, 75% of students add content (such as work experience) to their profiles, allowing you to search specifically and confidently.

World class training and support

Dedicated account management, regular check-ins, tailored training and consultation - all in addition to our regular webinars, videos, and help articles.

Engaging user experience

Immersive, discovery-driven UX on desktop and mobile. Messaging open rates exceed 54%.

Elevated on-campus recruiting

Schedule on-campus interviews, register for career fairs, set up your own events, and track your ROI via applicants and attendees compared to competition

Who's Hiring on Handshake?

200k+ employers ● 100% of the Fortune 500 ● Avg 17 recruiters / company
